EXPRESSION OF INTEREST

Electrical Installation Work
Security, Access Control, CCTV, Phone, Data
Commercial – Industrial – Domestic

Harrison Electrical is a Brisbane based company which was first established in April 1982. We currently employ 7 electricians, 7 Apprentices, 1 Trades, Assistants and 3 Administrative Staff. Our main focus is in the commercial and domestic market with some experience in industrial. We have recently started our security division, which will allow us to offer a complete range of services to the builder/property manager. These services include security alarms, access controls & CCTV. Our new team have a combined experience of over 30 yrs in the design, installation & maintenance of these systems.

We offer complete, expert services for maintaining, installing and repairing all aspects of electrical services. Our compliance with Australian Standard AS3000 ensures that our services are performed to the highest quality. All our staff have been inducted and trained in compliance with the Work Place Health and Safety Act.

In addition to Harrison Electrical's quality service, the company is renowned for its reliability and availability. You can contact us for emergency service, quotations or simply to answer any questions you may have with regards to electrical services.
